For the reasons stated on the record, the Court denies in substantial part plaintiffs' January 14, 2019 motion to compel (DE#60) except that: (1) Defendant will, as agreed, produce responsive Excel files by February 1, 2019; and (2) for <sup>disclosed</sup> documents that are not ESI, defendant will, by January 30, 2019, specify (by Bates ranges) the document requests to which those documents relate. In addition, defendant agrees that going forward, it will identify the store to which produced documents relate. Counsel are directed to confer to resolve any issues regarding defendant's privilege log.
